Petitioners:- Residents of Vontikoppal, for the grant of sites.

Sir,

We wish to bring to your kind notice about the lay-out of sites on the southern side of Vontikoppal. On our repeated request, The Chairman City Improvement Trust Board assured us that the sites would be distributed amongst the residents of Vontikoppal Village. But of late, we learnt that the sites are to be disposed off in a way which is quite contrary to assurances that the Chairman had previously given to us.

Your honour is quite aware that the applicants who are the residents of Vontikoppal Village, are of lower and middle class kisans. It will be a terrible blow if the sites were tobe disposed of in any other way.

It is quite apparent that the Trust Board is keen on constructing some Model houses, which is to be sold to the residents of Vontikoppal In this direction, work has already started in levelling the plots and other works which are involved in an expenditure of considerable money. This amount will naturally have to been born by the purchaser of the plot. Also the cost of the Model houses constructed by the trust board would be such that it will be quite beyond the reach of the poor, middle and lower classes.

In this respect we wish to point out that,

1). The cost of the house is considerably reduced as the houses will be constructed by ourselves on a co-operative basis.

2). We can assure that we will construct these houses according to the Trust Board plan and within specified time.

In a view to improve the present Kalidasa Road, it is understood that the houses on either side of the road is to be demolished to an extant of Ten feet. In this connection we request you, sir, that alternative sites may be provided to these victims in the above said plot.

Residents of this locality are living in a crowded atmosphere due to the shortage of housing accommodation. So we are requesting you

(2)

to use your good offices in seeing that the sites mentioned above which are the only layouts available nearby, are alloted to these people and thus help the unfortunate victims.

Thanking you in anticipation.

We remain;

Dated 30th Dec 1953.

Yours faithfully.
